

Name :

2025 tax return

If you wish to deduct your debts and the corresponding interest expenses, please provide us with the following information and statements:

1. Mortgage debt
 - mortgage interest statement covering the entire year 2025
 - mortgage debt statement outstanding as of December 31, 2025
2. Other debts: credit cards, collateral loans/Lombard loans, negative bank balances, private debts, outstanding invoices
 - Statements of interests paid covering the entire year 2025 (interest paid on credit cards or on negative bank balances, interests on tax liabilities for ex.)
 - proof of outstanding debt as of December 31, 2025
3. Tax debt: we will automatically deduct your tax debt for the current tax year. For past years, please provide us with the relevant account statements.
